

TAKE Supply Chain Named to *Food Logistics*' 2009 FL100 List

- Company earns recognition as top technology provider for food, beverage, CPG manufacturing, distributor companies -

Chennai, December 16, 2009 - TAKE Solutions Ltd. (BSE: 532890), leaders in Supply Chain Management (SCM) and Life Sciences products, announced today that its division, TAKE Supply Chain been selected by *Food Logistics* for the magazine's annual FL100 list for the third consecutive year. *Food Logistics*' editorial staff named TAKE Supply Chain a top technology provider based on the company's track record of expertise in helping food, beverage and consumer packaged goods (CPG) companies gain competitive advantages through their logistics processes. TAKE's work with customers Welch's, Blue Bell Creameries and Darigold in improving supply chain operations and inventory management contributed to their successful nomination.

The goal of the FL100 is to highlight a broad range of technology solutions and services targeted at the food/CPG industry, addressing the needs of large and mid-sized companies that make up the food supply chain. The theme for this year's list was '*Managing Change Through Hard Times with Technology*'.

"The FL100 listing provides a guide for decision-making to grocery and foodservice distribution and manufacturing executives," explains Ms. Katherine Doherty, Editor-in-Chief, Food Logistics magazine. "These companies rely on technology to better manage their supply chains and help weather the financial storm. FL100 recipients have demonstrated that they can meet our readers' specific needs."

Mr. S Sridharan, Managing Director, TAKE Solutions, said, "We are privileged having been selected in the FL 100 list, and for the third consecutive year at that. This continued recognition stands testimony to our unflinching commitment of excellence and encourages us to work harder to provide more advanced technology solutions and services to our customers."

The full list of winners can be found in the December 2009 issue of *Food Logistics* magazine and online at www.foodlogistics.com.
