Chennai, May 21, 2010: TAKE Solutions Ltd. [BSE: 532890 | NSE: TAKE], leaders in Supply Chain Management (SCM) and Life Sciences (LS) products, today announced financial results for the quarter and year ended March 31, 2010. The quarter and the year ended this March 31, 2010 was a record in terms of revenue in the company's history.

The consolidated profit for the quarter ended, March 31, 2010 was up by 292% to Rs. 12.2 crores over the same quarter last year. The consolidated revenue also increased significantly by 87% to Rs. 100 crores.

The consolidated net revenue for the year ended March 31, 2010 stood at Rs. 366 crores up by 8% compared to the year ended, March 31, 2009. However the consolidated net profit declined due to higher Selling, General & Administrative Expense (SG&A) which was a conscious decision taken by the company to increase market presence. The consolidated net profit for the year was Rs. 32.4 crores.

The Board of Directors recommended a final dividend of INR 0.20 per share for the fiscal year 2010.

"We are extremely pleased with our fourth quarter and full year 2009 financial performance. Our ability to react to the growth opportunities in quick time and execute our strategy efficiently has helped us deliver a turn-around performance in the fourth quarter. Our volumes have gone up and our margins are at very respectable levels." said, Mr. Ram Yeleswarapu, CEO, TAKE Solutions. He further added, "Looking ahead, we will venture into new business opportunities and work towards having a healthy pipeline of growth opportunities to fuel TAKE's growth."

Expressing his delight, Mr. Sridharan Sivan, Managing Director, TAKE Solutions, said, "We are happy with our robust performance in FY10, which was the best ever year in terms of the top-line in the company's history. The commitment of our employees and the strategic decisions taken by the company at the start of the fiscal year paid-off." He further added, "Going forward, we expect the company to increase its market presence with a basket of differentiated products and services that we have developed over the period of time. The company will continue to invest in new products."
