

TAKE Solutions selected as *SupplyChainBrain* 2010 Great Supply Chain Partner

-For the fourth consecutive year-

India, Chennai, August 31, 2010:- TAKE Supply Chain, a division of TAKE Solutions [BSE: 532890 | NSE: TAKE] and innovator of software solutions to power demand-driven value networks, today announced that the company has been recognized as the 2010 Great Supply Chain Partner by *SupplyChainBrain*, world's leading Supply Chain Management publication for the fourth consecutive year. TAKE was nominated for its exceptional work in the operational control, inventory accuracy, visibility and order fulfillment domain for Welch's, a leading manufacturer and marketer of grape-based products.

“Receiving consistent recognition for our work with customers and partners around the world is a distinct honour that we are proud to accept for the fourth year in a row,” said Mr. Kishore Rachapudi, President and COO, TAKE Solutions. “We’re honoured that TAKE clients and partners continually recognize our achievements when it comes to contributing toward competitive advantages that improve their bottom lines. We all know businesses today face unprecedented volatility across their global operations, and we will continue to serve the marketplace by delivering innovative solutions that address these most complex Supply Chain challenges.”

SupplyChainBrain's 8th Annual 100 Great Supply Chain Partners Program is the result of a six-month online poll in which Supply Chain professionals are asked to nominate vendors and service providers whose solutions have made a significant impact on their efficiency, customer service and overall performance.

*“In 2010, we received more than 2800 nominations from small and large companies covering scores of different industries,” states Mr. Brad Berger, publisher of *SupplyChainBrain*. “More than 600 vendors of every conceivable type of Supply Chain activity were nominated - from very specialized technologies, to a wide range of third-party Logistics, Transportation and Consulting services. The 100 companies that received the most qualified nominations are represented on this year's list which is published within the July issue of *SupplyChainBrain's* magazine and on SupplyChainBrain.com for the remainder of 2010.”*
