- The ever-changing world of PV
- What might transformation mean for day-to-day operations?

What is pvconnect?

- Established in 2006, **pvconnect** provides a neutral platform for PV leaders facing similar challenges to network, debate, compare performance and share ideas on how to tackle the latest hot issues - balancing rising workload with resource constraints, managing divergent global regulatory requirements, implementing continuous benefit risk management, leveraging big data and modernizing PV in the context of the seismic technology and industry shifts
- This forum and community is the place to discuss trends, insights, and future solutions
- Objectives include: Peer to peer network and insight exchange; Discuss and develop strategies and best practices; Build profile and industry voice; Focus on member interests; Agreement to confidentiality

Who should join pvconnect?

- Heads of Safety, PV senior leadership team responsible for deploying the PV strategy and system within their organization

Why join pvconnect?

- Future proof your PV system, engage with global peers, compare and improve your performance
- Be part of the only global PV network with exclusive access to:
 - Spring and autumn in person meetings in US, Europe and Asia; industry leading insights with a strategic focus
 - Technology showcase events driven by member cases to discover cutting edge utilizations of technology, new approaches and collaborations
 - Bi-annual pvtech meetings to discuss challenges, alternative technology solutions and best practices aligned to the future of Pharmacovigilance
 - Annual benchmark, with 1-1 meetings to explore insights, relative performance and improvement opportunities
 - Hot topic based industry working groups, think tanks and webcasts
 - Live scientific community discussion board: connect with other members, post and answer questions on latest PV topics,
 - Member-only platform for collaboration and resource hub - a secure portal to connect and collaborate with peers and share the latest documented insights
 - Routine publications including white papers, benchmark report, discussion summaries
 - Unique networking with access to Subject Matter Experts within TAKE Solutions

For information on our upcoming forums and events, please visit www.takesolutions.com

At TAKE Solutions, we are proud of our portfolio of industry leading networks. Aimed at pharmaceutical industry professionals, our networks were founded as an independent community for business leaders facing similar challenges to have a peer network to exchange insights, compare performance, and debate strategies to tackle the latest hot issues. Each network has a focused and evolving agenda to meet the latest challenges.

Family of Networks
