

Limited Review Report on the Statement of unaudited Standalone financial results of TAKE Solutions Limited for the quarter and nine months ended December 31, 2023 pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To the Board of Directors of **TAKE Solutions Limited**

Introduction

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **TAKE Solutions Limited** ("the Company") for the quarter and nine months ended 31st December 2023 (the "Statement") together with notes thereon, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("the Listing Regulation, 2015"), which we have initialed for identification purposes only.
2. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on 13th February 2024 and has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("the Listing Regulation, 2015"). Our responsibility is to issue a report on the Statement based on our review.

Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

4. The business carried on by Navitas LLP is severely impacted for the factors as stated in Note No. 2 to the statement. Further as stated in Note No 4(a) to the statement, in accordance with Ind AS 109, the Company has not assessed the changes in risk/expected cash shortfall to determine expected credit loss allowance to be recognised in respect of the financial guarantees given to lenders of Navitas LLP for the loans availed by Navitas LLP and the balance outstanding loan in the books of said LLP as on December 31, 2023 is ₹ 80.83 million and further has not tested for impairment of other advances recoverable from said LLP to an extent of ₹ 15.21 million. Hence, we are unable to comment on the consequential impact, if any, on the standalone financial results for the quarter and nine months ended December 31, 2023.
5. As stated in Note No 4(b) to the statement, tax assets appearing in the financial statements of the Company to an extent of ₹ 90.70 million pertain to the financial period ending upto March 31, 2020. In the absence of sufficient appropriate evidence to corroborate management's assessment of recoverability of these balances we are unable to comment on the carrying value of above receivables and the shortfall, if any, on the amount that would be ultimately realizable from the tax authorities.

Material Uncertainty Relating to Going Concern

6. We draw your attention to Note No 2 to the Statement, which indicates that the enforced sale of erstwhile Wholly Owned Subsidiary TAKE Solutions Global Holdings Pte Ltd ("TAKE Ghpte") during the year ended March 31, 2023 has significantly impacted the revenue and business operations of TAKE and its remaining subsidiaries. Further, during the previous year ended March 31, 2023, significant number of employees of Ecron Acunova Limited (EAL) and Navitas LLP (LLP) have resigned which has affected the business operations and cash flows of EAL and LLP and the said entities have exposure to banks which have been guaranteed by the Company. Furthermore, the Company has significant unpaid statutory dues. Also, the Revenue of the Company for the quarter and nine months ended December 31, 2023 has fallen significantly as the performance obligations under a major business contract have been completed and the contract has not been renewed. These indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. However, the Company is exploring various funding options for expansion and also expects improvement in the overall level of operations in the Generics Development Capabilities vertical as evidenced by capex and other expansion plans undertaken during the reporting period in the said business vertical by EAL. In view thereof and expecting favourable market conditions in future, the Standalone Financial Results for the quarter and nine months ended December 31, 2023 have been prepared on a "going concern basis" and no adjustment has been made to the carrying value of standalone assets and liabilities.

Our Conclusion on the Statement is not modified in respect of the above matter.

Emphasis of Matters

7. We draw your attention to Note 3 to Statement, regarding outstanding purchase consideration of ₹ 83.33 million which according to the management is fully recoverable and accordingly, no adjustment has been made in the Standalone Financials Results.

Our Conclusion on the Statement is not modified in respect of the above matter.

Qualified Conclusion

8. Based on our review conducted as stated above, *except for the effects/possible effects of the matters stated under Basis for Qualified Conclusion Section above*, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
