Chennai, 15 May, 2015: TAKE Solutions Ltd. [BSE: 532890 | NSE: TAKE], a global business technology solutions provider, today announced the financial results for the fourth quarter of FY 2015. The Company has posted a healthy revenue of INR 2183 million for this quarter, a 17.1% increase over the previous quarter and a net profit of INR 271 million, an increase of a 65.1% over the previous quarter and a resounding 110.1% over the corresponding quarter of the previous year.

Srinivasan H.R., Vice-Chairman and Managing Director, TAKE Solutions said, “The strategy envisaged last year of shrinking to refocus; and grow in niche segments has yielded rich dividends. The cornerstone of our strategy has been to deliver higher EBITDA, and consequently superior value. Our realignment of businesses to this objective has paid off with this being our best quarter ever.”

He further added, “It is encouraging to continue the positivity of our performance through the year, which stands testimony of our clients’ satisfaction, and boosts our confidence to maintain our competitive edge. Our investments in the creation of IP based Life Sciences & Supply Chain offerings

are working well. As we enter the new financial year FY '16, we will further bolster our experience in these segments and accelerate our growth year-on-year.”

#### **About TAKE Solutions**

TAKE Solutions is a leading domain focused technology company offering services/solutions to the global market. The company provides cost-effective and comprehensive solutions for enterprises across diverse sectors including pharmaceuticals, high technology, consumer packaged goods, oil/gas, and automotive.

TAKE Solutions encompasses specialized lines of businesses under distinct brands such as Navitas - a pure play Life Sciences company, TAKE Supply Chain & TAKE MEA - flexible, accessible, mobile Supply Chain software solution providers, APA Engineering - an International Sourcing and Engineering services company and TAKE Enterprise Services Inc. - a specialist provider of technology-driven business solutions and software services.
